TATEATHER and Fire-Proof Patent Paint.-I hereby give notice to the public, that I have been appointed Agent for the sale of this extraordinary substance.

It is a Mineral Paint, which, when applied to a Building, and exposed to the action of the atmosphere, forms a coat of slate or stone, rendering the Building perfectly fire and weather proof. The attention of Distillers, Mill Owners, Railroad Companies, Steamboat Proprietors, and Planters, is particularly called to this substance. It adheres with the utmost tenacity, to the substance to which it is applied, never cleans off, and once applied, it is applied for ever. It is much preferable to tin or zine, for covering roofs, makes them perfectly water tight. When applied to brick or stone buildings, it excludes the dampness of the external atmosphere, making such buildings more healthy. For a more particular explana-tion of its Chemical properties, see Circulars. 100 lbs. will cover 1000 superficial feet. Wholesale price, 4 cents per lb., retail 5 cents; this is about half the price of White Lead .-

#### The Sheriffalty. We are authorized to announce THOS. H. WIL-LIAMS as a candidate for the office of Sheriff at the ensuing

Town papers please copy till election. Voters of New Hanover-I announce myself a candidate for the Sheriffalty of your County, and solicit your votes S. D. WALLACE. at the ensuing election.

March 8, 1850 Papers of the town will copy till otherwise ordered.

To the Independent Voters of New Hanover County ! FELLOW-CITIZENS-In accordance with the wishes of a number of my friends, I beg leave to offer myself as a candidate for the office of Sheriff. Should you honor me with your suffrages, I pledge myself to discharge its duties with fidelity and impartiality. G. J. MOORE. New Hanaver county, Febly 22, 1850

Fellow. Citizens of New-Hanover County : Gentlemen-At the approaching August election, it is your province to select an officer to act in the capacity of Sheriff. This is an early period, as I conceive, to agitate this election. although there is quite a number of candidates in the field, and more expected. The county is notified that a Convention will be held during the term of our next County Court, for the purpose of nominating County candidates; and as I conceive all candidates who presume to announce for the Sheriffalty before that convention goes into session, says to that Convention, that they will not abide its action; I conceive that it is soon enough to aver what we will do when wo see what action that body takes of the different offices of the county. I am, perhaps, as anxious to be possessed of the advisable to make the announcement at the present. If I should think it advisable to announce myself to you after the meeting of the Convention, and the result of the election should go in my favor, my motto shall be, to do justice to the office and to the people, and will ever feel grateful for the confidence reposed, and willing to reciprocate the favor as far

as may be honorable. I conceive it incumbent on every vater, before the election, to obtain information from reliable authority, who of the candidates is most deserving and capable and best qualified, in every respect, to take charge of the office. These are enquiries, as I conceive, that every voter should make, before going to the polls of election, and then let his influence and suffrage be governed accordingly.

Gentlemen, I conceive it unnecessary to say more to you; there is nothing that I could say, as I know of, that would fitsinuate me in your favour. All, or the most of you, are intimately acquainted with me. It is for you to say whether I am capable and well qualified to fill the office, or not-whether I am tiranical and appressive, or lenient and accommodating in business transactions. That portion of the electors that may not be acquainted with me, or know but little as bout me, I would respectfully request that they would call on my friends in Wilmington, and on gentlemen from my own district of the county.

Very respectfully, your fellow-citizen, JAMES HARRELL May 9th, 1850.

WILMINGTON, N. C., MAY 8, 1850. To the Voters of New-Hanover County : GENTLEMEN-Through the solicitations of a number of my friends, I again appear before you as a candidate for the office of Sheriff of your County; and in doing so, I deem it proper to make a few remarks relative to the position I new occupy before you. Some time ago, I told a number of my friends that I would not again be a candidate for the office since making those declarations, I have been placed in differ-

larations, it induced a majority, if not all of those whose names are before you to become candidates for the office In appearing before you again as a candidate, I have no pledges to make, only that I will endeavor to discharge the duties of the office to the best of my abilities, should a majority of my fellow-citizens think it proper to give me their

ent circumstances, through the interposition of an all-wise

and unerring Providence. I believe by my making those dear

votes. I am, gentlemen, most respectfully, your ob't serv't, OWEN FENNELL.
